

1

Which chick has two worms less than 6 worms?

2

How many ants must replace the question mark?

- (A) 1      (B) 2      (C) 3      (D) 4

3

I am on 17. If I walk 4 numbers backwards, which number will I reach ?

- (A) 13      (B) 14      (C) 15      (D) 16

4

If + + + + = 35, then = ?

- (A) 4      (B) 5      (C) 7      (D) 6

5

How many legs do 4 spiders have altogether?

- (A) 28      (B) 16      (C) 24      (D) 32

**6** Which group has numbers in increasing order?

- (A) 
- (B) 
- (C) 
- (D) 

**7** There are 9 children in a group. 2 of them are boys. How many girls are there in the group?

- (A) 7                      (B) 2                      (C) 6                      (D) 10

**8** Which set of crayons shows 24?

- (A)                       (B) 
- (C)                       (D) 

**9** On which day does 21st of January fall in the given calendar.

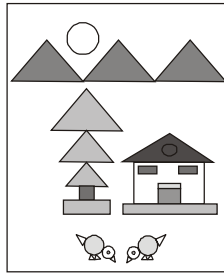

- (A) Tuesday                      (B) Monday  
(C) Wednesday                      (D) Friday

**10** Anil had 12 balloons. If 4 balloons were burst, how many balloons are left with him?

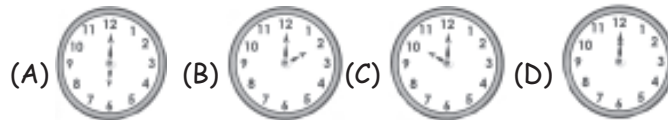

- (A) 7      (B) 8      (C) 6      (D) 9

**11** How many triangles are there in the given figure?

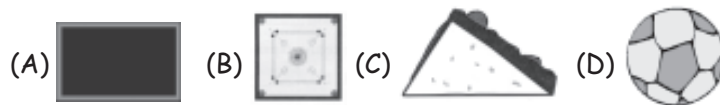

- (A) 9      (B) 11      (C) 15      (D) 14

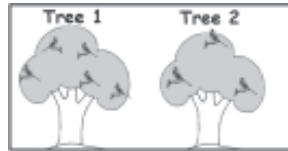

**12** Which clock shows 2 o' clock?

**13** Which of the following things has no side and no corners?

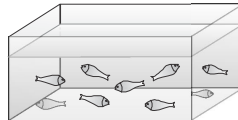

14 Observe the figure given.

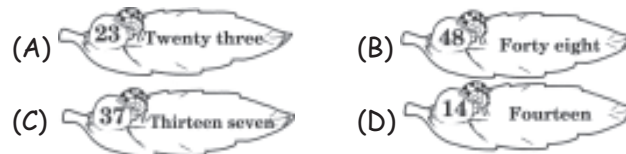

Compare the number of birds on tree 1 and tree 2.  
 (A)  $5 > 3$  (B)  $5 < 2$  (C)  $5 + 2$  (D)  $5 = 2$

15 Count the number of fishes in the given aquarium.

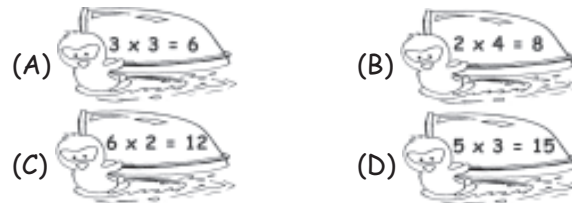

(A) 7 (B) 8 (C) 9 (D) 10

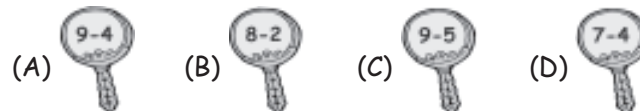

16 Identify the numeral written incorrectly in words.

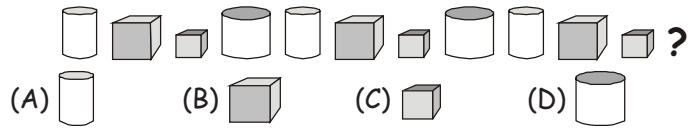

17 Identify the set of numbers that is not true.

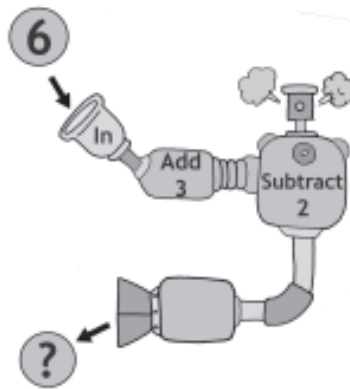

18 Choose the mirror that matches the number 4.

19 Find the missing shape.

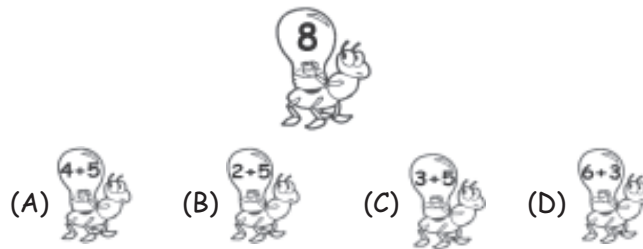

20 Which number comes out of the number machine?

- (A) 7 (B) 6 (C) 5 (D) 8

21 Identify the number that is the same as the given number.

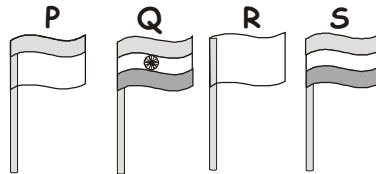

22 Which number makes the number sentence true?

$$\textcircled{8} + \textcircled{?} = \textcircled{13}$$

- (A) 4 (B) 5 (C) 3 (D) 6

- 23 Which of the options shows the order in drawing a flag?

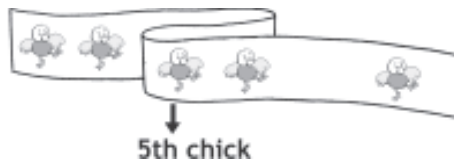

- (A) P, S, Q, R  
(B) S, R, P, Q  
(C) R, P, S, Q  
(D) R, S, Q, P

- 24 Which of the following numbers completes the given arrangement?

- (A) 28 (B) 22 (C) 17 (D) 8

- 25 The picture given shows a folded strip of ribbon with chicks. How many chicks are hidden?

- How many chicks are hidden?  
(A) 2 (B) 3 (C) 4 (D) 5

- 26 Which of the following is like a hot ball of fire?

- (A) The sun (B) The moon  
(C) The earth (D) Both (A) and (B)

- 27 Which of these is a living-thing?

- (A) River (B) Earthworm  
(C) Soil (D) Sky

28

In the given weather chart, which day is sunny and windy?

Day	Monday	Tuesday	Wednesday	Thursday
Morning				
Afternoon				

- (A) Monday (B) Tuesday  
(C) Wednesday (D) Thursday

29

Which of the following is NOT a fruit?

- (A)  (B)  (C)  (D)   
Lady's finger Brinjal Chilli Onion

30

At a traffic signal, vehicles move when the light is

- (A) red (B) blue (C) green (D) yellow

31

What can we smell?

- (A)  Food substances  
(B)  Television  
(C)  Pencil  
(D)  Kite

32 The figure given is a \_\_\_\_\_

- (A) pedestrian crossing
- (B) place where U-turns can be made
- (C) speed limit zone
- (D) no speed limit

33 Which of the following is a creeper?

- |                                                                                        |                                                                                          |
|----------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------|
| (A)   | (B)     |
| Pumpkin                                                                                | Money plant                                                                              |
| (C)  | (D)  |
| Grapevine                                                                              | Bean                                                                                     |

34 Which of the following is a living thing?

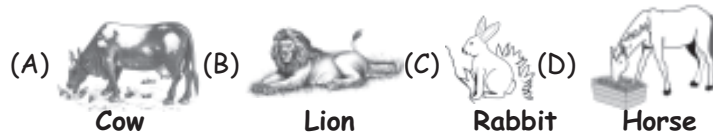

- |                                                                                         |                                                                                         |                                                                                         |                                                                                           |
|-----------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------|
| (A)  | (B)  | (C)  | (D)  |
| A pen                                                                                   | An ant                                                                                  | An aeroplane                                                                            | A kite                                                                                    |

35 Which of the following activities need air?

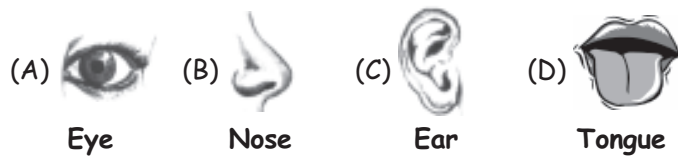

- |                                                                                         |                                                                                         |                                                                                          |                                                                                           |
