

**DPS – MODERN INDIAN SCHOOL
HOLIDAY HOMEWORK (2012 – 2013)
CLASS – II**

Dear Parents,

Holidays are time when you can connect with your child in many ways. As you are your child's first and most important teacher, you can encourage your child's love of learning by participating in educational activities at home. Working together on the activities will help your child build confidence, learn to reason and develop skills necessary for his/her education.

- Take your child for a "Nature Walk" daily to keep fit in both body and mind.
- Play indoor games with your child like ludo, carom board, scrabble, snake and ladder etc.
- Let your child help around the house doing small jobs like dusting, cleaning the table, filling water bottles, watering the plants etc.
- To spend some quality time with your child, take them out for a movie and have fun together.
- Encourage your child to converse in English.
- Please make sure that your child completes his/her holiday homework.
