

DPS MODERN INDIAN SCHOOL, AL WAKHRA – QATAR
SUMMER HOLIDAY HOMEWORK, 2013 – 2014
CLASS I

Dear Parents,

Holiday is the time you can connect with your child in many ways. As you are your child's first and most important teacher, you can encourage your child's love of learning by participating in educational activities at home. Working together on the activities will help your child build confidence, learn to reason and develop skills necessary for his/her education.

- Take your child for a “Nature Walk” daily to keep fit in both body and mind.
- Play indoor games with your child like ludo, carom board, scrabble, snake and ladder etc.
- Let your child help around the house doing small jobs like dusting, cleaning the table, filling water bottles, watering the plants etc.
- To spend some quality time with your child, take them out for a movie and have fun together.
- Encourage your child to converse in English.
- Please buy 1 four lines notebook and do all the holiday homework in the same note.
- Please make sure that your child completes the holiday homework.
- The last date for submission of the holiday homework is September 16, 2013.

Check the school website regularly during summer vacation.
