Dear Parents,

Summer vacation is a welcome break.... It is a time to connect with your child in many ways.

Few guidelines to follow:

- ❖ “Knowledge is Power”. Therefore encourage your child to cultivate the reading habit because it not only enhances the knowledge acquired but also develops the vocabulary, language skills and improves spellings. And also read to your child because it builds reading skills and increases his/her attention span.
- ❖ Communication skills play an important role in grooming the overall personality of the children. Converse with your child preferably in English to help him / her get comfortable with the language.
- ❖ Make your child aware about the rich culture and heritage by watching different informative channels like ‘The National Geographic’, Animal Planet etc.
- ❖ Take your child for a “Nature Walk” daily to keep fit in both body and mind.
- ❖ To spend some quality time with your child, take them out for a movie and have fun together.
- ❖ Please make sure that your child completes his/her holiday homework.

Things you should remember during your Summer Vacation:

Good Habits and Good Manners are lifelong assets and manners must be practiced until they become a habit.

Four magic words that are basics of good manners are – Please, Thank you, Excuse me and Sorry. Make these four words a habit and see the difference.

MANNERS:

At home:

Help to keep the house clean especially the areas you use. Clear the toys, books or crafts that remain after you have finished.

Honesty is the best policy. Tell the truth at all times. Be polite.

Share the T.V time. Do not sit too close while watching T.V.

Be fair with your friends, brothers and sisters. Be responsible.

At the dining table:

Take small helpings and refill, clean your plate up.

Take small bites; eat neatly, slowly with your mouth closed.

Help to clear the table and clean up.

In the Park:

Littering makes the park untidy.

Destroying the plants or plucking the flowers will spoil the beauty.

Wait for your turn on swing and slides.

At a party:

Wish the host.

Don't mess up somebody's house.

While shopping:

Softly ask your parent for what you want. If refused, don't throw a tantrum.

Be careful, don't touch any breakable item.

On the telephone:

If there are no elders around, don't let the phone ring long, answer it.

Talk softly when someone is speaking on the phone and don't interrupt.

Hygiene:

Brush your teeth twice a day.

Do trim your nails often.

Do not waste water and electricity.

Keep your surroundings and environment clean. It is bad habit to throw things out of the window, car or a balcony.

Make friends having good habits who respect their elders and use good language.

All the Best!!!! Enjoy your vacation.....
