Parents & Children - Peace Guaranteed

NeoTrack has identified the solution to make parents happy with child's safety as priority

Child's Safety

- Child's Boarded into/dropped from the bus
- Child reached /left the School
- Child got down at a different stop - know When and Where?
- Route specific Planned/ Unplanned change notifications (Bus failures, School events, Road blocks, Issues due to rain, fog and Traffic)

Parents Convenience

- Proximity (Boarding and Pickup) alerts
- No more waiting at bus stop
- Bus delay information
- Notification on Bus Reaching / Starting from school – Better Planning

Online Tracking for Parents

- Exact and very accurate location
- Real time update- 5 secs accuracy
- Easy user interface enables anybody to use the system in no time
- All smart phone compatible browsers. Mobile Apps: Android, iOS

NEOTRACK APP for
Android / Apple iOS
