

**DPS MODERN INDIAN SCHOOL, DOHA-QATAR**  
**ACADEMIC YEAR 2025-2026**  
**CLASS- IV**  
**SYLLABUS FOR WEEKLY TEST-II**  
**MAIN SUBJECTS**

|                                                                                                                                          |                        |
|------------------------------------------------------------------------------------------------------------------------------------------|------------------------|
| <b>ENGLISH</b>                                                                                                                           | <b>DATE:25.01.2026</b> |
| <b>TOPICS</b>                                                                                                                            |                        |
| <b>SECTION A- READING: Reading Comprehension-Unseen Passage</b>                                                                          |                        |
| <b>SECTION B- WRITING - Informal Letter</b>                                                                                              |                        |
| <b>SECTION C- GRAMMAR</b>                                                                                                                |                        |
| 1. Chapter 9- Degrees of Comparison                                                                                                      |                        |
| 2. Chapter 13, 14, 15- Simple Present, Simple Past and Simple Future Tenses                                                              |                        |
| 3. Chapter 13, 14- Present Continuous and Past Continuous Tenses                                                                         |                        |
| 4. Chapter 11- Articles                                                                                                                  |                        |
| <b>SECTION D- LITERATURE</b>                                                                                                             |                        |
| 1. Chapter 6- Earnestness (Poem)                                                                                                         |                        |
| 2. Chapter 9- How the Leaves Came Down? (Poem)                                                                                           |                        |
| 3. Chapter 13- Liza and the Lost Letter (Prose)                                                                                          |                        |
| 4. Chapter 7- Pollyanna (Literature reader)                                                                                              |                        |
| <b>Note: Read the lessons thoroughly and revise all that is done in the notebook, monthly assignment and grammar textbook exercises.</b> |                        |
| <b>EVS</b>                                                                                                                               | <b>DATE:09.02.2026</b> |
| <b>TOPICS</b>                                                                                                                            |                        |
| Chapter 12: Plants and their Care                                                                                                        |                        |
| Chapter 24: Our Universe                                                                                                                 |                        |
| Chapter 7: Teeth and Tongue                                                                                                              |                        |
| Chapter 23: Garbage and its Disposal                                                                                                     |                        |
| <b>Note: Read the lessons well, refer to the textbook exercises, assignments and all work done in the Notebook and Textbook.</b>         |                        |
| <b>MATHS</b>                                                                                                                             | <b>DATE:16.02.2026</b> |
| <b>TOPICS</b>                                                                                                                            |                        |
| 1) Lesson 5: Fractions (Page No. 73 to 91) Exercises 1 to 6                                                                              |                        |
| <b>Omitted: Ordering, Addition and Subtraction of unlike fractions.</b>                                                                  |                        |
| <b>Exercise - 4 Q2 &amp; Q3,</b>                                                                                                         |                        |
| <b>Exercise - 5 Q1 (b, c), Q2 (c, d, e) Q3 (c, d)</b>                                                                                    |                        |
| <b>Exercise -6 Q1b &amp; Q4</b>                                                                                                          |                        |
| 2) Lesson 6: Basic Geometrical Concepts (Page No. 92 to 111)                                                                             |                        |
| <b>Exercises 1 to 6</b>                                                                                                                  |                        |

3) Lesson 9: Measurement (Page No. 133 to 144) Exercises 1 to 5

4) Lesson 10: Money (Page No. 145 to 153) Exercises 1 to 4
