FROM THE CHIEF GUEST

“First of all, I would like to congratulate and thank all the students who took part in the Jamboree Fest. What impressed me most was the enthusiasm, dedication, and sincerity they brought to every activity. Although the event is designed to be enjoyable, the commitment displayed by the students reflects valuable qualities that will help them succeed in the years ahead.”

Beyond my role as the chief guest, I speak as a mother when I say how wonderful it is to see young children taking responsibility, learning new skills, and growing with confidence. Their passion and maturity give me great hope for the future.” **Ms. Kamakshi Gopi**

“The Nexus stall was undoubtedly one of the highlights, especially because of its strong focus on community service. Beyond that, it provided students with valuable ideas, practical exposure, and hands-on learning experiences. I truly appreciate the effort behind it and wish everyone the very best.” **Mr. Shashishekar Patra, Facility manager**

MESSAGE FROM THE ACADEMIC ADVISOR

"I was truly impressed by the enthusiasm and dedication shown by the students. As we visited the different stalls, it was wonderful to see the creativity and originality behind each idea. Even when some stalls featured similar products, every team presented, branded, and marketed them in a unique way. Many students thoughtfully showcased the evolution of their products while others introduced innovative improvements and fresh perspectives on existing concepts.

What stood out most was their entrepreneurial spirit. Their confidence, creativity, and ability to pitch their ideas demonstrated remarkable potential. Given the right opportunities, these students have all the qualities needed to become successful entrepreneurs and future innovators." **Ms. Asna Nafees**

FROM THE PRINCIPAL

“This year’s Jamboree was more than just an exhibition, it was a celebration of innovation, entrepreneurship, and community service through our collaboration with Nexus. Students impressed us with their creativity, unique branding, and fresh ideas, proving that every concept can stand out with the right vision. Most importantly, this event gave them a real-world platform to think, create, and lead. Today’s projects may be school activities, but for some students, they could be the first step toward becoming tomorrow’s entrepreneurs.”

Ms. Soma Bhattacharjee

FROM THE CORE ORGANIZING TEAM

*"Students learn by doing, gaining valuable experience in marketing, pricing, competition, branding, leadership, and corporate social responsibility."
Jolly Ma'am*

"At the Jamboree, we've seen how students embrace the opportunity to develop their leadership qualities. They respond positively, showcasing a wide range of talents. Through these experiences, they have demonstrated the many qualities that will shape them into future leaders individuals who will grow with purpose and contribute meaningfully to society." Naseema Ma'am

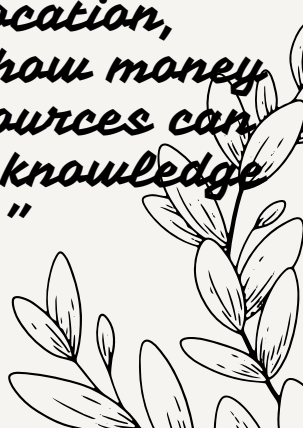

FROM THE CORE ORGANIZING TEAM

"The biggest challenge was to make sure that everything is well organized. The instructions are well communicated to the students, and to accommodate for last-minute changes which come, when some stalls backed out." Aditi Ma'am

"Students develop essential life skills through the planning and execution of such events. Since no single individual can manage an event of this scale alone, students learn the importance of meticulous planning and effective collaboration. These experiences help them strengthen their teamwork, communication, and organizational abilities. Additionally, they gain valuable entrepreneurial skills, including financial management, resource allocation, budgeting, and sales planning. By understanding how money flows, how finances are monitored, and how resources can be utilized efficiently, students acquire practical knowledge that is highly relevant in today's world."

Nida Ma'am

FROM THE JUDGES

"I would suggest that Jamboree is a valuable opportunity. Yes, students can participate, but first they need to learn how to prepare simple, basic tasks that are manageable at their level, rather than attempting something overly complicated. Through Jamboree, we aim to teach them essential skills such as negotiation and presentation. This includes presenting ideas or even something as practical as a food item. We will certainly continue to encourage and support them in this learning process." Rituparna Ma'am

"All the judges moved around, purchasing food items and other things. Soon, they faced the challenge of carrying everything. The students responded thoughtfully by arranging handbags for them, which was a very considerate gesture. It truly reflected the students' sense of responsibility and care." Sonal Ma'am

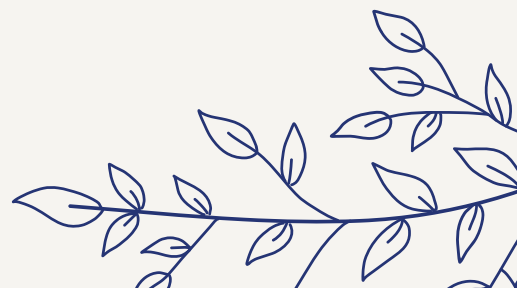

FROM THE HEADMISTRESS

"This Jamboree has been filled with excitement and joy for the children. I do feel that more students should be given the chance to participate, as last year's involvement was even greater. That said, everything was wonderfully organized, and the happy faces of the children truly reflect the success of Jamboree."

Najla Ma'am

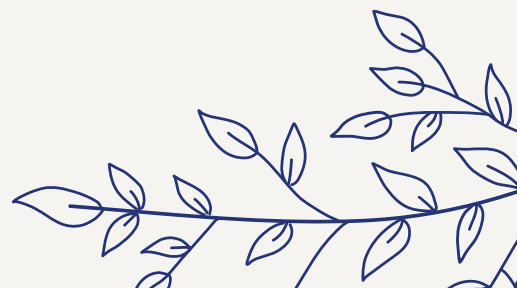

FROM THE COORDINATORS

"If a junior school student wishes to take part in future Jamborees, my advice would be simple: participate wholeheartedly. Winning is secondary the true value lies in the experience and involvement. I encourage every student to give their full participation, as it is through this engagement that they learn, grow, and discover their potential." Sharmila Ma'am

"This Jamboree has been a wonderful opportunity for the children. At such a young age, they are already learning how to plan, organize, calculate expenses, and weigh gains and losses before taking action. The way they arranged everything was truly impressive, showing that these experiences help them build leadership in every area. Whether it was setting up stalls or managing resources, thoughtful planning was essential. With enthusiastic teamwork and active participation, they accomplished a remarkable job. God bless them for their efforts." Rachel Ma'am

FROM THE COORDINATORS

"Beyond the tiers of prizes, what truly made today's Jamboree a success was the remarkable organization and, above all, the enthusiasm and energy of the participants." Vijayashree Ma'am

"Jamboree is a vibrant event organized by the Commerce and Entrepreneurship Club, one that every student looks forward to with enthusiasm. Even those who may not set up a stall are eager to be part of this lively celebration. Today, I witnessed the remarkable energy and joy with which students participated, whether through food stalls, game stalls, photo booths, karaoke, or any other activity, they gave their very best. Through this experience, students gain invaluable skills: managing business, becoming independent, improving themselves, and learning marketing strategies." Priti Ma'am

FROM THE TEACHERS

“Le Jamboree a été remarquablement bien organisé, grâce aux directeurs et aux enseignants. Les réponses du client comme du fournisseur ont été claires et pertinentes. Tout s’est déroulé à merveille. Merci à tous.” Par Praveen Sir
Translation: “The Jamboree was remarkably well organized, thanks to the directors and teachers. The responses from both the client and the supplier were clear and relevant. Everything went very smoothly. Thank you to everyone.” Praveen Sir

“أرى أنا أن الاختلاط وأن التحدث مع الآخرين هذا أول سبب لبناء الثقة بين” الطلاب، ومثل هذه النشاطات أظن أنها ستكون نقطة بداية لهم، وهذا إن شاء الله سوف يساعدهم“على التكلم والحوار مع الناس طبقاً ومع الزبائن”كذلك.
Translation: In my view, interacting and conversing with others is the primary way to build confidence among students. I believe such activities serve as a starting point for them, helping them—God willing—develop the ability to speak and engage in dialogue with people, and naturally, with customers as well.” Rehman Sir

FROM THE TEACHERS

“The very concept of Jamboree is highly innovative. What I appreciate most, however, is the charity initiative introduced in collaboration with Nexus. This new approach, launched for the first time this year, will help students cultivate empathy and foster a sense of culture.” **Smita Ma'am**

“Honestly, this kind of exposure at such a young age is invaluable. In India, we see similar initiatives with startup businesses being introduced. Likewise, children here are gaining exposure that will help them realize they can become entrepreneurs in the future. The experience they have gained is immense and will surely benefit them later on. It's encouraging to see Jamboree improve every year, and I hope it continues to grow further.” **Sudhansu Sir**

FROM THE TEACHERS

“The Jamboree offers students a unique opportunity to build confidence, communication, and teamwork skills through real-world interactions. Beyond entrepreneurship, the event encourages creativity, responsibility, and empathy, making it a meaningful learning experience that prepares students for future challenges.”

Shivansh Sir

“What stands out about the Jamboree is its ability to combine learning with practical experience. Through collaboration, customer interaction, and community-focused initiatives, students develop valuable life skills while gaining confidence and a stronger sense of responsibility.”

Arrifa Ma'am

FROM THE TEACHERS

“The Jamboree provides students with a valuable platform to develop confidence and interpersonal skills through meaningful interactions with their peers, customers, and the wider community. By engaging in conversations, presenting their ideas, and managing real-world transactions, students gradually become more comfortable communicating with others. The event was exceptionally well organized, reflecting the dedication of the directors, teachers, and student leaders who worked together to ensure its success. What makes the Jamboree particularly distinctive is not only its innovative entrepreneurial approach but also its emphasis on social responsibility through charitable initiatives. Such experiences help students build empathy, strengthen their cultural awareness, and develop essential life skills, including teamwork, leadership, communication, and financial management, preparing them for future academic and professional endeavors.” **Darsana Ma'am**

FROM THE TEACHERS

A Quiet Presence, a Valuable Contribution

Mr. Amit Sir from the Photography Department with our Publication Club's young reporters during the Jamboree. Usually seen behind the lens, capturing the most memorable moments of school events, he took a moment to interact with our student journalists. His presence and enthusiasm added to the vibrant atmosphere of the day, making it an even more memorable experience for everyone involved.

Mr. Harish Buhari Sir from the IT Department with our Publication Club's young reporters during the Jamboree. Usually working behind the scenes on the school's website and social media, he shared a cheerful moment with our young reporters, adding to the warmth and festive spirit of the day.

FROM THE STUDENTS

"The Jamboree was an incredibly enriching experience for me, as it gave me the opportunity to interact with different people and step out of my comfort zone. From communicating with customers to working closely with my team, I developed greater confidence, teamwork, and problem-solving skills. Managing a stall also helped me understand important entrepreneurial concepts such as budgeting, resource management, and customer engagement. What made the experience even more meaningful was the charitable aspect of the event, which reminded us of the importance of giving back to the community. Overall, the Jamboree was not only enjoyable but also a valuable learning experience that taught me lessons beyond the classroom."

From Team Nexus

At Nexus, our mission is simple: empower youth to lead, give back, and innovate. As an organization driven by young leaders, we bridge the gap between student volunteerism, charitable action, and technology opportunities to create real-world impact.

We brought that mission to life at this year's Jamboree, where Nexus hosted an interactive donation stall dedicated to supporting our local community. Thanks to the generosity of students, families, and visitors, we collected vital contributions that will directly aid those in need.

Beyond raising support, the stall gave us an incredible chance to connect with peers, share our vision for youth leadership, and show how small acts of service add up to big change.

Q

The food stalls were undoubtedly one of the highlights of the Jamboree, filling the air with irresistible aromas and attracting eager crowds throughout the day. From savory snacks and refreshing beverages to delicious homemade desserts, each stall offered a unique culinary experience. Students enthusiastically managed their stalls, showcasing impressive teamwork, creativity, and entrepreneurial spirit while engaging with customers. The vibrant atmosphere, flavorful food, and constant buzz of activity created an unforgettable experience, making the food court a lively hub of excitement and enjoyment for all.

ART & CRAFTS STALLS

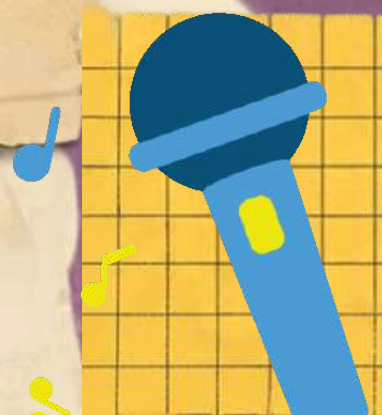

The Art and Craft stalls brought a burst of creativity and color to the Jamboree, captivating visitors with their unique handmade creations and interactive experiences. From beautifully crafted accessories and customized artwork to intricate henna designs and cupcake decorating activities, each stall reflected the imagination and talent of its student entrepreneurs. The area buzzed with excitement as visitors explored the displays, expressed their creativity, and took home personalized keepsakes. These stalls not only showcased artistic skill and innovation but also added a vibrant, joyful atmosphere that perfectly complemented the spirit of the event.

SHORT FILM AND KARAOKE STALLS

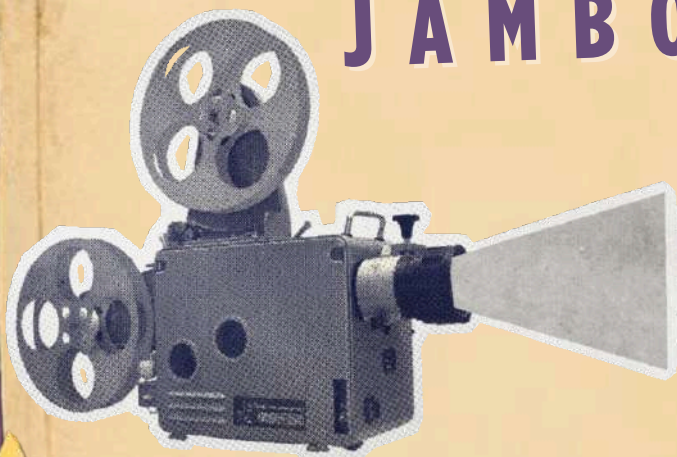

The Karaoke and Short Film stalls emerged as crowd favourites, adding a unique blend of entertainment and creativity to the Jamboree. The Karaoke stall echoed with music, laughter, and applause as students and teachers confidently took the stage to showcase their singing talents. Meanwhile, the Short Film stall offered visitors an immersive cinematic experience, featuring engaging films that captivated audiences and sparked meaningful conversations. Together, these stalls provided a perfect balance of excitement and artistic expression, enriching the vibrant atmosphere and making the event even more memorable.

From The Editorial team

As editors covering the Jamboree, we witnessed firsthand the immense planning, coordination, and teamwork that went into making the event a success. While documenting the event was exciting, tracking down teachers for interviews and conducting them amidst the busy schedule of the day was often challenging and stressful. However, these experiences allowed us to strengthen our communication, adaptability, and organizational skills. One of the most inspiring aspects of the Jamboree was the involvement of The Nexus Foundation, a student-led charitable initiative that added a meaningful purpose to the event. By bringing together entrepreneurship, collaboration, and social responsibility, the Jamboree showcased not only the talents of students but also their commitment to creating a positive impact within the community.
